

Photo by Jack Delano, New Deal Farm Security Administration photographer, 1941 passing through Bellows Falls on the eve of US entry into WWII. Archived in Library of Congress. Thank you Walter Wallace for Identifying the collection.

With help from the Bellows Falls Historical Society and the Historic Preservation Commission and our own collection, we've gathered the following images of the Bellows Falls Garage over the last century.

Map of Bellows Falls circa 1886, you can see the empty lot where the Garage was built in 1920. Thank you Bellows Falls Historic Society for help in identifying pictures for this collection

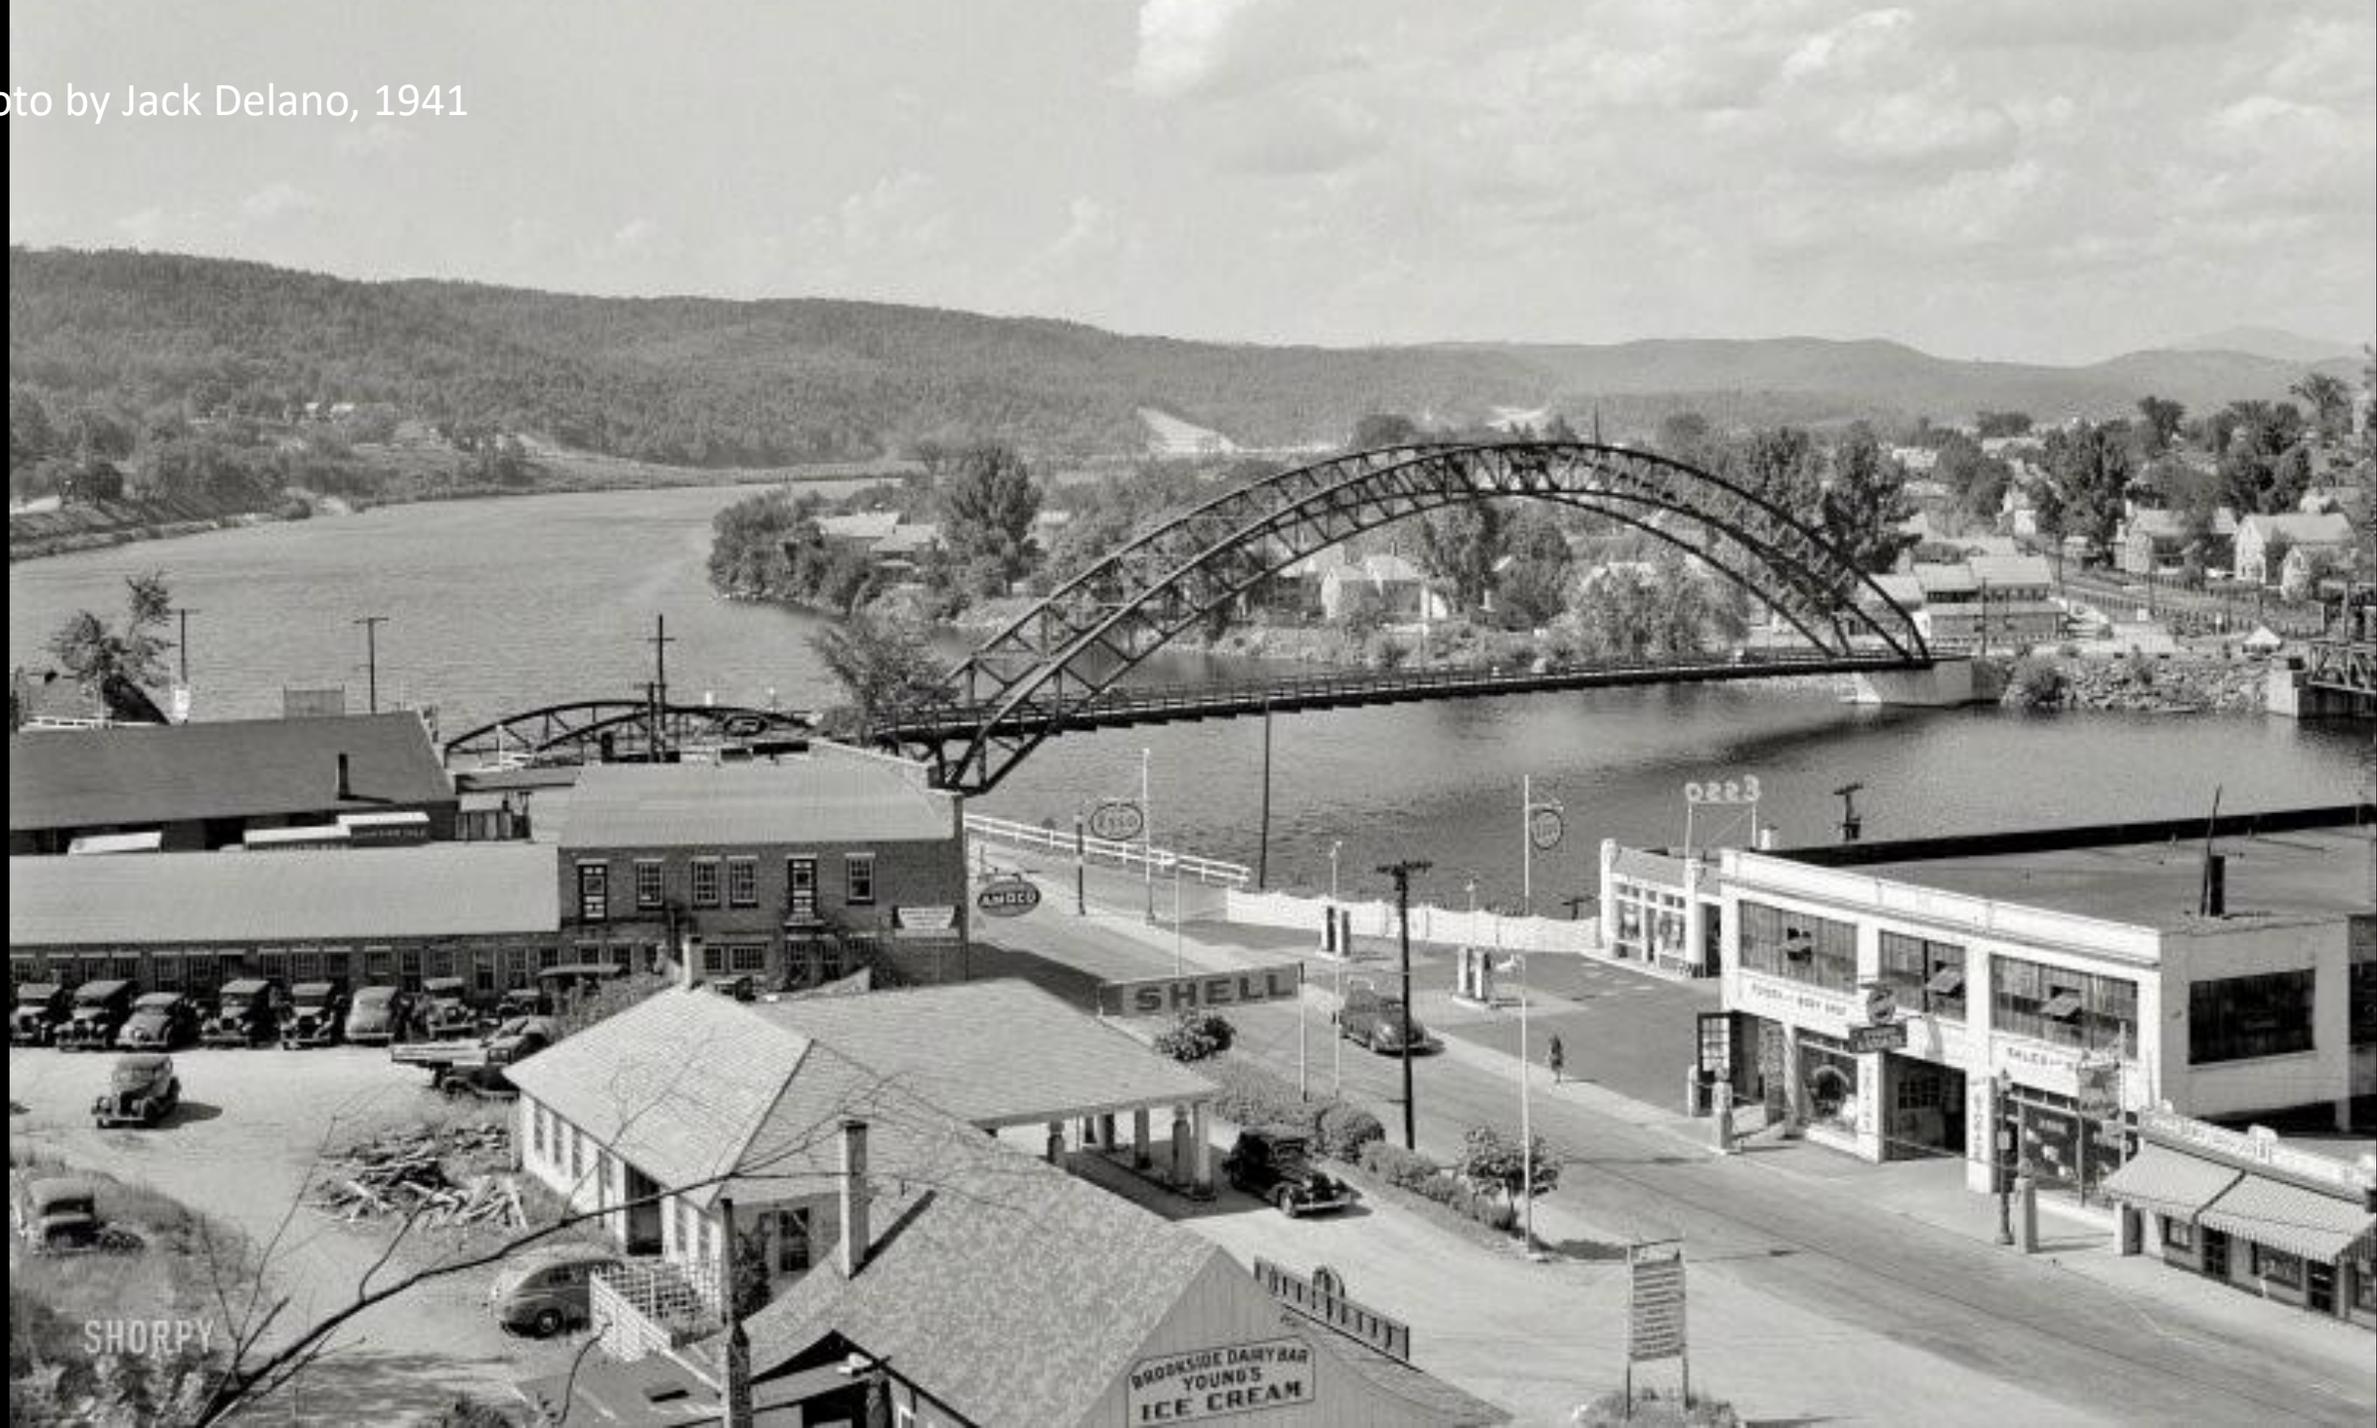

The Connecticut River is an important place for the Abenaki Elnu people to fish in "Kchi Pôntegok" (pronounced kit-SEE POHN teh guck) or "The Great Falls".

BELLOWS FALLS, VT

Though colonialization and industrialization intentionally have removed evidence of indigenous presence, the Abenaki people and culture continue despite the erasure.
